

WEST WALES WILD WATCH

Free wildlife recording sessions with West Wales Biodiversity Information Centre. A great way to discover your local wildlife.

Explore the local wildlife together, record the species we find and have fun looking at nature in a relaxed, practical session. ID resources provided.

All welcome, regardless of experience.

Find more information here:

Upcoming Dates/ Locations in Carmarthenshire:

Llansteffan Dunes, Llansteffan: Thursday 11th June, 10am – 1pm

Meet at Llansteffan Castle car park, SA33 5JT. What3words: [automatic.soak.warm](https://www.what3words.com/automatic.soak.warm)

Outdoor session looking for spring life in the dunes. Dress warm and dry. Event may be postponed in adverse weather, so please email to confirm.

Dyfed Permaculture Farm: Saturday 13th June, 10am – 1pm

Meet at site car park. What3words: [icebergs.newest.surveyed](https://www.what3words.com/icebergs.newest.surveyed)

Looking for spring life in a meadow – plants, birds and insects. Dress warm and dry. Tea and biscuits provided. If it's wet, we can bring things inside to look at.

Keepers, Brechfa Forest: Thursday 18th June, 10am – 1pm

Meet at site car park. What3words: [expand.trudges.buyers](https://www.what3words.com/expand.trudges.buyers)

Short introduction to recording before heading outdoors for a practical session. Tea and biscuits provided. If it's wet, we can bring things back inside to look at.

Bring suitable outdoor clothing for the weather.

We'll be using the 'LERC Wales' App to record. To join in using the app, it helps to download the app beforehand and create an account. You can also record using a notebook and pencil, and submit that to [record.wwbic.org.uk](https://www.record.wwbic.org.uk)

For more info, or to join the mailing list for future events, contact amy@westwalesbiodiversity.org.uk
