

WEST WALES WILD WATCH

Free wildlife recording sessions with West Wales Biodiversity Information Centre. A great way to discover your local wildlife.

Explore the local wildlife together, record the species we find and have fun looking at nature in a relaxed, practical session. ID resources provided.

All welcome, regardless of experience. Find more information here:

Upcoming Dates/ Locations in Pembrokeshire:

Northmoor Common, Freystrop: Sunday 2nd August, 10am – 1pm
