

WEST WALES WILD WATCH

Free wildlife recording sessions with West Wales Biodiversity Information Centre. A great way to discover your local wildlife.

Explore the local wildlife together, record the species we find and have fun looking at nature in a relaxed, practical session. ID resources provided.

All welcome, regardless of experience.

Find more information here:

Booking required as spaces are limited, please get in touch to reserve your place.

Outdoor session exploring the wildlife along the Tywi Valley Path starting at Nantgaredig. Event may be postponed in adverse weather, so please email to confirm.

Cwmaman Community Centre: Friday 18th September, 10am – 1pm

Meet at Cwmaman Community Centre. What3words: [poses.vowel.coil](#)

Short introduction to recording before heading out to explore the local wildlife. Tea and biscuits provided. If it's wet, we can bring things back inside to look at.

Bring suitable outdoor clothing for the weather.

We'll be using the 'LERC Wales' App to record. To join in using the app, it helps to download the app beforehand and create an account. You can also record using a notebook and pencil, and submit that to record.wwbic.org.uk

For more info, or to join the mailing list for future events, contact amy@westwalesbiodiversity.org.uk
