

WEST WALES WILD WATCH

Free wildlife recording sessions with West Wales Biodiversity Information Centre. A great way to discover your local wildlife.

Explore the local wildlife together, record the species we find and have fun looking at nature in a relaxed, practical session. ID resources provided.

All welcome, regardless of experience. Find more information here:

Upcoming Dates/ Locations in Pembrokeshire:

Simpson Cross Community Centre, SA62 6EF: Saturday 3rd October, 10am – 1pm

Meet at the Community Centre. What3words: [file.inclines.native](#)

Starting the session identifying moths before heading outdoors to see what other wildlife can be found. Tea and biscuits provided. If it's wet, we can bring things inside to look at.
